# Annual Conference

## Diversity, identity and inclusion in Lifelong Learning: Shaping a 2020 vision for mature students

1-3 April 2020

Foresight Conference Centre, University of Liverpool

The 2020 UALL annual conference asks how lifelong learning can thrive in the coming decades. It includes international and UK perspectives, contributions from mature learners, as well as those involved in delivering vision and programmes within the higher education sector.

Papers, panels, case studies and workshops will engage broadly with the following themes:

- Engaging, teaching and retaining lifelong learners
- Work-based and work-related learning
- Widening participation and mature students
- Learning, maturity and motivation.

*The UALL annual conference 2020 is organised in partnership with the University of Liverpool's Go Higher Foundation Diploma which is celebrating 20-years of providing access to higher education to mature students without traditional entry qualifications.*
